B. Coordination Activity

Advertised and kept minutes of 12 meetings. Also includes keeping records, corresponding with members, compiling phone and mailing lists, writing agendas for meetings, and other administrative functions.

A significant amount of time was spent corresponding with RDI staff in getting them to complete their work in assisting the 2010 Committee complete the strategic plan. This work started in October of 1993 and continued on through April of 1994.

1. Only \$2,000 was approved which was dedicated to grant writing services.

2. Application has been completed and will be presented to City for approval in July.
